Gnathodontics, Ltd.

Your Full-Service Dental Laboratory

Orthodontics

Call 800.234.9515 or 303.424.9515

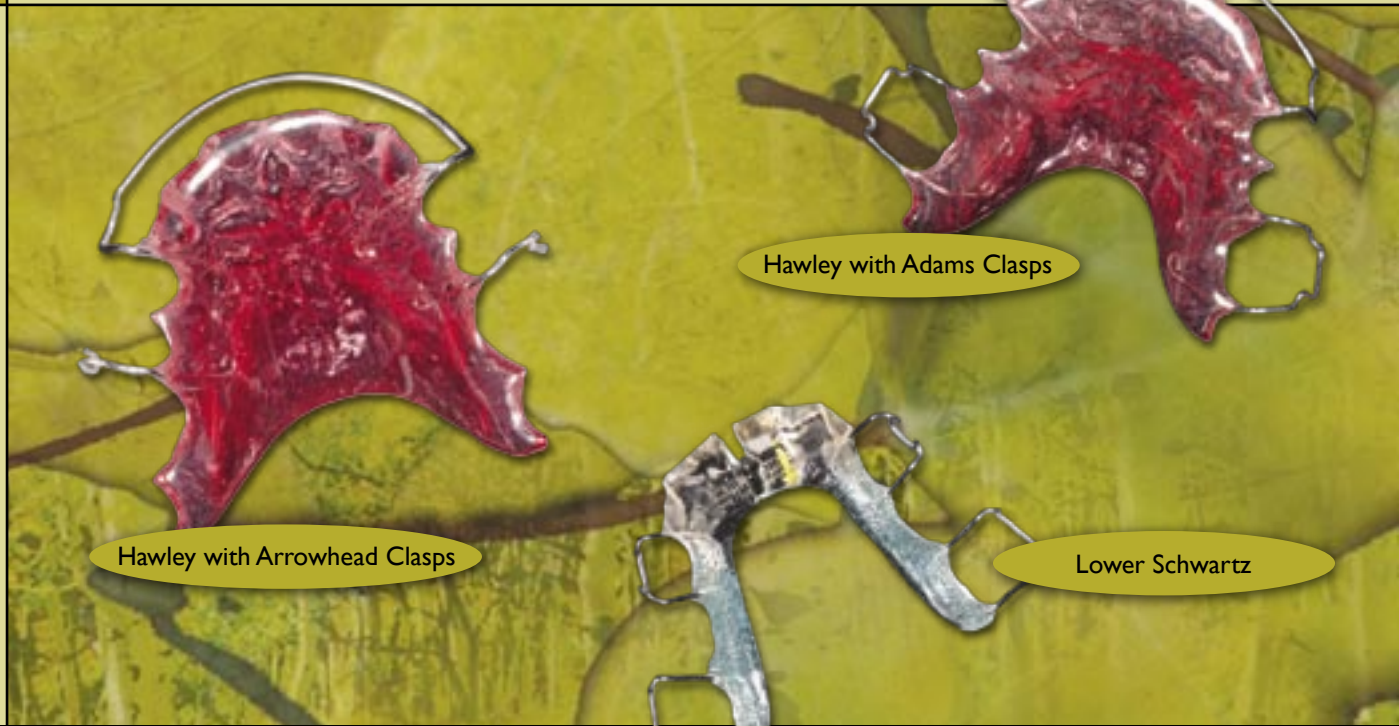

Call us for all your challenging orthodontic cases. We specialize in crafting appliances that will help patients with any type of orthodontic need gain the smile they were meant to have, and the confidence that comes with it!

We offer a variety of advanced appliances, including:

- Pendulum/Pendex/T-Rex
- Three Dimensional Sagittal
- McNamara PED
- Herbst
- Crozat

Gnathodontics Ltd. is truly a full-service dental laboratory. We fabricate every restoration right in our facility. The dedicated technicians of our Orthodontics Department craft appliances to your specifications with quick turnaround times designed with patient acceptance (and your practice) in mind.

We offer knowledgeable, talented personnel that can provide expert case planning and consultation. Your patients will experience excellent fit and retention thanks to the exceptional ability of our Orthodontic Department team.
